Robust Aluminum Construction: Crafted from extruded aluminum, this basket-style cargo carrier offers a blend of durability, lightweight design, and resistance to rust. Easy to install, clean, and maintain, it's a reliable choice for your hauling needs.

Sturdy Under Support Frame: Boasting a heavy-duty steel under support frame, this carrier includes a 2" x 2" hitch shaft compatible with standard Class III and IV hitch receivers, ensuring secure attachment and dependable performance.

Enhanced Safety Features: Equipped with reflector lenses and red corner accents, this carrier enhances visibility for safer journeys. The high side rails not only keep your cargo secure but also provide multiple tie-down points for added convenience.

Instant Cargo Space Solution: Ideal for camping trips, long road adventures, or transporting items that you'd rather not place inside your vehicle, this cargo carrier offers instant and versatile storage space on demand.

Generous Basket Dimensions: Outer basket dimensions measure 49-1/4 x 22-1/2 x 7-1/4 inches, while the inner basket dimensions are 47-1/4 x 20-1/4 x 6 inches, providing ample room for various cargo types and sizes.
